SIZE VIP CABANA FACT SHEET

SIZE VIP CABANAS: Cabanas are available for our Bottle Service clientele. Depending on the number of people in your party, different sizes are available. The cabana is yours for the entire night, and comes with a personal cocktail server.

BOTTLE REQUIREMENT & BAR GUARANTEE: There is no fee for the reservation or for the use of the cabana. However, bottle service is required. You must purchase the minimum bottle requirement as well as meeting the bar guarantee, which can be attained with a combination of bottle/cocktail service. If your overall purchase does not satisfy the guaranteed requirement, your bill will be automatically adjusted up to the required minimum.

The minimum varies depending on the size of the cabana and the number of people in your party.
